Software Developer Resume

email@example.com • LinkedIn Profile • GitHub Profile

Objective

A highly motivated entry-level software developer with a strong foundation in computer science, programming skills, and hands-on experience with projects. Seeking an opportunity to apply my skills in software development and contribute to meaningful projects in a collaborative environment.

Skills

- **Languages:** Python, Java, C++, JavaScript, HTML, CSS
- **Frameworks/Technologies:** React, Node.js, Express, Django, Flask, Git
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Tools:** VS Code, GitHub, Docker, Jira, Trello
- **Operating Systems:** Windows, Linux, macOS

Education

Bachelor of Technology (B.Tech) in Computer Science Engineering
University Name, Location
Expected Graduation: Month, Year
Relevant Coursework: Data Structures, Algorithms, Database Systems, Object-Oriented Programming, Software Engineering, Web Development

Projects

Project Name 1   *Date*
Description: A brief description of the project, highlighting the technologies used and the problem it solves. Mention any challenges faced and how they were overcome.
Technologies: Python, Django, PostgreSQL, HTML, CSS
GitHub: github.com/username/project1

Project Name 2   *Date*
Description: Another project description, detailing the project's objective and the tools used to implement it. Mention any important results or conclusions from the project.
Technologies: JavaScript, Node.js, Express, MongoDB
GitHub: github.com/username/project2

Internship Experience

Software Development Intern   *Company Name, Location*
Month, Year - Month, Year

- Developed and maintained web applications using React and Node.js.

- Collaborated with cross-functional teams to design and implement new features.

- Participated in code reviews, debugging, and testing to ensure high-quality code.

- Contributed to the optimization of existing software for better performance and scalability.

Achievements

- First place in a university-level coding competition, solving algorithmic challenges.

- Successfully completed a certification in Full Stack Web Development (Year).

- Actively contributed to an open-source project on GitHub, improving documentation and adding new features.

Additional Information

- Languages: English (Fluent), [Other Languages]

- Interests: Coding challenges, Open-source contributions, Reading tech blogs
